

**GREEN SCHOLAR / POSTDOCTORAL POSITIONS AT IGPP / SCRIPPS
INSTITUTION OF OCEANOGRAPHY- UCSD**

The Institute of Geophysics and Planetary Physics (IGPP) at Scripps Institution of Oceanography (SIO) at the University of California San Diego (UCSD) has openings for one or more postdoctoral scientists as Green Scholars. Joint funding from the Green Foundation for Earth Sciences and extramural sources associated with specific research projects is available to support postdoctoral positions in a broad range of research areas in geophysics beginning in the first half of 2009. We will review applications from all subfields of geophysics. Applicants should identify their primary field(s) of interest for postdoctoral research.

The positions are available for one year and are renewable subject to satisfactory performance and availability of funds. Salary will be determined by UCSD, commensurate with qualifications and experience and based on UC salary scales. Applicants should send a 1-2 page statement of interest and a Resume with the names of at least two references, immigration status, and the expected PhD completion date to:
